Canada Border Services Agency (CBSA) Declaration Card – Completion Guide

Use this guide to complete the attached CBSA Declaration Card.

Part A – All travellers

All travellers must be identified on a CBSA Declaration Card. You may list up to four family members living at the **same address** on one declaration card. Make sure that each traveller's answers are included on the card. **Each traveller is responsible for his or her own declaration.**

You must declare all goods—whether they are part of your exemption or not—that you are bringing into Canada. A border services officer may examine your goods. Note that goods that do not qualify for a personal exemption may be subject to duties, taxes and/or fees.

Under Canadian law, you have to declare all animals, plants and their products. You also have to declare all currency and monetary instruments (e.g., stocks/bonds, cheques, traveller's cheques, money orders, bank drafts, treasury bills) totalling CAN\$10,000 or more. Failure to do so could result in penalties, seizure and/or prosecution.

The following items may be **restricted, controlled or prohibited** in Canada, or you may need a **special permit**:

- Firearms or other weapons (e.g., Mace, switchblades, fireworks);
- Drugs;
- Endangered species (live specimens or products made from wild plants or animals, e.g., ivory, corals, reptile skin products);
- Cultural property (e.g., antiquities, cultural objects).

Border services officers may seize any goods or items that you do not declare or that you falsely declare. You may also face fines, arrest and/or prosecution.

The minimum ages for the importation of alcoholic beverages are 18 years for Alberta, Manitoba and Quebec and 19 years for all other provinces and territories.

There are specific personal exemption limits for importing alcohol and tobacco into Canada. Determine your limit from the following table.

Alcohol	Tobacco
1.5 L of wine or 1.14 L of liquor or 24 x 355 mL (12 oz.) bottles/cans of beer or ale (8.5 L)	200 cigarettes, 200 tobacco sticks, 50 cigars or 50 cigarillos, and 200 grams manufactured tobacco

During your travels, you may have been exposed to an infectious disease. Symptoms can start several days to months after exposure. While the risk from most of these diseases is low, some may be life threatening. If, after your travels, you become sick or get a fever, Public Health Agency of Canada recommends you contact a physician and mention your travel history. If you have travelled to an area where malaria occurs, request a blood test to rule out malaria.

Part B – Visitors to Canada

All visitors identified in Part A must be included in Part B.

You can bring in **personal goods** without paying duty or tax, as long as you do not leave them in Canada. You can also bring in the amounts of alcohol and tobacco listed in Table 1 without paying duty or tax.

You can bring in **gifts** without paying duty or tax, as long as they are not alcohol or tobacco or business goods, and they have a value of CAN\$60 or less per gift. Gifts over CAN\$60 each are subject to duty and tax on the amount over CAN\$60.

Citizenship and Immigration Canada advises you that all visitors admitted to Canada will be permitted to stay for a maximum of six months, unless otherwise notified in writing by an examining officer.

Part C – Residents of Canada

Each resident must complete Part C in the **same order** as in Part A.

Your declaration must include the total value of all goods (including gifts) that you have purchased, received or acquired abroad or at duty-free shops and that you are bringing into Canada.

The following table lists the available exemptions.

Minimum absence from Canada	Exemption limit – CAN\$	Alcohol and tobacco
24 hours	\$50	No
48 hours	\$400	Yes – See Table 1
7 days	\$750	Yes – See Table 1

Each traveller is allowed only **one** of these exemptions per trip.

The \$50 exemption does not apply if the total value of your goods is more than \$50. The \$750 exemption can include goods (other than alcohol and tobacco) you acquired during your trip, which are not accompanying you. To calculate the number of days absent, do not count the day you left Canada, but include the day you return.

Residents of Canada only: you must pay duty on cigarettes, tobacco sticks and manufactured tobacco that you include in your personal exemption, unless they are marked "CANADA DUTY PAID – DROIT ACQUITTÉ."

Part D – Signatures

Each traveller 16 years and older must sign the declaration in the **same order** as in Part A.

Information from this declaration will be used for CBSA control purposes, and may be shared with other government departments to enforce Canadian laws. Details are available in the Treasury Board of Canada publication called *Info Source*, under the reference number CBSA PPU 018. *Info Source* is available at public libraries, government public reading rooms, and on the Internet at <http://infosource.gc.ca>.

Each person 16 years and older must sign. Detach your declaration card and prepare your proof of citizenship to show to a BORDER SERVICES OFFICER.
